| 1 | Prof. Dr. Zaida Rahman<br>Department of Pharmacology & Therapeutics                    | Coordinator |
| 2 | Prof. Dr. Md. Atiqur Rahman<br>Subject coordinator of Pathology                        | Member      |
| 3 | Prof. Dr. Mejbah Uddin Ahmed<br>Subject coordinator of Microbiology                    | Member      |
| 4 | Prof. Dr. Palash Kumar Bose<br>Subject coordinator of Forensic Medicine                | Member      |
| 5 | Associate Prof. Dr. Halima Begum<br>Subject coordinator of Pharmacology & Therapeutics | Member      |
| 6 | Fahmid Hasan<br>EM-19, Roll No.57, Student representative                              | Member      |
| 7 | Ummey Hani<br>EM-19, Roll No.84, Student representative                                | Member      |

Phase Coordinator will act as leader of the phase. Phase Coordination Committee will meet on two monthly basis and any time, if necessary to evaluate how the phase is progressing. They are deeply involved in monitoring and evaluation of the course.

Phase Committee will seek feedback from the students through the Student Course Evaluation Questionnaire. They have to collate and analyze relevant information from the students. Phase Committee members are expected to give their best efforts to improve the overall academic standard of the institution.

Phase Committee will approve the students eligible for professional examinations and prepare the annual report of the phase to be submitted to the Academic Coordinator.
